## 1.0 Introduction

This quarterly financial report has been prepared by management as required by [section 65.1 of the \*Financial Administration Act\*](#), in the form and manner prescribed by the Treasury Board. This quarterly report should be read in conjunction with the Main Estimates.

This quarterly report has not been subject to an external audit or review.

## 1.1 Mandate

The Civilian Review and Complaints Commission for the RCMP (CRCC)'s fundamental role is to provide civilian review of the conduct of the RCMP members in carrying out their policing duties, thereby holding the RCMP accountable to the public. The CRCC ensures that complaints about the conduct of RCMP members are examined fairly and impartially. Its findings and recommendations help identify and remedy policing problems which stem from the conduct of individual RCMP members or from deficiencies in RCMP policies or practices.

A summary description of the CRCC program activities can be found in [Part II of the Main Estimates](#).

## 1.2 Basis of Presentation

This quarterly report has been prepared by management using an expenditure basis of accounting. The accompanying Statement of Authorities includes CRCC's spending authorities granted by Parliament and those used by the agency consistent with the Main Estimates for the 2018-2019 fiscal year. This quarterly report has been prepared using a special purpose financial reporting framework designed to meet financial information needs with respect to the use of spending authorities.

The authority of Parliament is required before moneys can be spent by the government. Approvals are given in the form of annually approved limits through appropriation acts or through legislation in the form of statutory spending authority for specific purposes.

The CRCC uses the full accrual method of accounting to prepare and present its annual departmental financial statements that are part of the departmental performance reporting process. However, the spending authorities voted by Parliament remain on an expenditure basis.

## **2.0 Highlights of Fiscal Quarter and Fiscal Year-to-Date (YTD) Results**

By the end of the first quarter of 2018-19, the CRCC spent approximately 20% of its authorities compared to 19% for the same period in 2017-18.

Personnel represents 70% of CRCC's total planned expenditures for 2018-19 compared to 68% for 2017-18. The CRCC is anticipating that spending on personnel will remain high throughout the year as its workforce is adjusted to meet mandate priorities and business demands.

## **3.0 Risks and Uncertainty**

While the CRCC's operating budget and in-house resources are sufficient to manage current public complaint and review request levels, it has limited surge capacity. By tracking complaints and monitoring trends, the CRCC can respond to priority areas and files providing some mitigation of this risk. The CRCC also maintains a strategic reserve in the event of a surge in demand for services and has a procurement strategy in place to call up additional investigative resources to meet short-term surge requirements.

The CRCC continues its outreach and stakeholder engagement initiatives with a focus on Indigenous communities generating greater awareness and expectations. Inherent in this dynamic is the risk that the CRCC's current appropriations and resources may not be sufficient to meet expectations.

## 4.0 Significant Changes in Relation to Operations, Personnel and Programs

In March 2018 the Government of Canada reappointed Mr. Guy Bujold as Interim Chairperson to the Commission and appointed Mrs. Karen Leibovici as part-time Vice-Chairperson to the Commission. These appointments provide continued governance and leadership of the Commission until a permanent Chairperson is appointed.

During this reporting period, the Commission launched four strategic investigations of specified RCMP activities. Details of these investigations can be found on by clicking on the following links:

- [Review of the RCMP's Bias-Free Policing Model](#)
- [Review of the RCMP's Crime Reduction-Type Units](#)
- [Review of the RCMP's Policies and Procedures regarding Street Checks](#)
- [Systemic Review of the RCMP's Policies and Procedures regarding Strip Searches](#)

The Chairperson also initiated a complaint and public interest investigation into the RCMP's investigation of the death of [Mr. Colten Boushie](#).

The above-noted investigations require a significant commitment of the Commission's financial and human resources.
